Employment

The Subject is employed as an architectural draftsman for various architects and construction projects in the San Francisco area obtaining his employment through the placement service of the American Institute of Architects, 47 Kearny Street, San Francisco.

II. COMMUNIST PARTY (CP) AND RELATED ACTIVITIES

San Francisco County Communist Party (SFCCP)

The Subject is a member of the Lincoln Club, SFCCP, and although he has recently moved into the area which encompasses the members of the Sunset Club, SFCCP, he has not as yet effected a transfer into the Sunset Club.

SF T-1 - 3/15/62

American-Russian Institute of San Francisco (ARI)

The ARI has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The Subject attended the 30th Anniversary celebration of the ARI, which was held at 150 Golden Gate Avenue, San Francisco, on November 19, 1961. The purpose of this meeting was also to celebrate the 44th anniversary of the Russian

SF 100-33836

revolution and the 75th birthday of the Secretary of the ARI. One of the speakers at this meeting told of his trip to New Delhi and the Soviet Union. He said the Soviet Union, Cuba, and China have been accused of suppressing rights, freedom, religion and speech. He said that this was not true. These countries do not want soap box critics but they respect the broader right of the majority and sometimes individual rights have to give way to the rights of the majority.

The guest speaker at this meeting was DMITRY NURAYEV, who was introduced as a Cultural Attaché with the Soviet Embassy. He presented the Secretary of the ARI with a gold watch and read a prepared speech. He said Russia wants peace and that the U.S. and Russia fought together during the war and still can be friends but Nazi elements in Germany are being supported by the U.S. Government. He said Russia would disarm if disarmament could be agreed upon but now the U.S. has rearmed Germany and they have the second largest army in Europe with rockets, tanks, and atomic weapons. He said the Russians are ready to defend their homeland against the Germans and felt that they had to do something to dramatize their readiness to defend themselves so they resumed atomic testing.

SF T-2 - 11/20/61

The Subject attended a reception sponsored by the ARI and held at the Sheraton-Palace Hotel in San Francisco, on January 20, 1962. This reception honored a group of visitors from the Soviet Union.

HOLLAND ROBERTS, President of the ARI, and M. M. DONRACHEV, a member of the Board of the Institute of Soviet-American Relations, gave speeches which stressed cultural exchange and friendship.

SF T-3 - 1/22/62

Citizens Committee for Constitutional Liberties (CCCL)

See Appendix Page.

The Subject attended a meeting sponsored by the CCCL held at 150 Golden Gate Avenue on December 1, 1961. At this meeting a monologue was presented entitled "Are You Now Or Have You Ever Been A Horse Thief", which was a satire on the McCarran Act.

SF 100-33836
FD/rew

A skit was then presented to represent the petition of the Communist Party before the Supreme Court in regard to the registration provisions of the McCarran Act. After the skit, MICKEY LIMA was introduced as Chairman of the Northern California District of the CP, who would present his views on the registration. LIMA read a statement in which he said that the CP in good conscience could not and would not register because to do so would violate the law of self-incrimination. If the CP registered, they would admit to being spies, saboteurs, and agents of a foreign power.

LIMA said that the CP is leading the fight for freedom. If the present trend continues, the Government can later attack the labor unions and the National Association for the Advancement of Colored People (NAACP). The ruling party in the Government will be able to get any group they wish to register.

SF T-2 - 12/18/61

Subject attended a meeting sponsored by the CCCL held at 150 Golden Gate Avenue, San Francisco, on January 24, 1962. The Chairman of the meeting gave an opening statement of the purpose of the CCCL and the purpose of the meeting. He mentioned that the Bill of Rights is under attack and that the military forces are controlling the Government and the press and that civil rights are being repressed. He said that these things are of concern to the Committee and they have asked GUS HALL to present his views of the current situation.

HALL then spoke and said that he is presently on a lecture tour all over the country presenting the views of the CP. He mentioned that he had requests to speak at schools all over the United States. He said that the CP is being prevented by law and by control of the press from expressing their views and that they only want the right of free speech which is being denied them.

HALL said that at a recent press conference he was asked to give his position in the Party both now and prior to June 6, 1961. He told the press at that time that he could be referred to as an authoritative spokesman for communism.

HALL said that the people don't really know what the McCarran law means. When the law went into effect he was

1
SF 100-33836

ZMD/rew

supposed to register. He has been indicted already and is under possible sentence of 500 years in jail and \$1,000,000 fine. HALL went on to say that he went to jail under the Smith Act and that for thirty years the Government has tried to prove that the CP has been advocating the violent overthrow of the Government and that all communists are agents of a foreign power and are espionage agents etc. but has failed to do so.

According to HALL, the McCarran Act came into being during the McCarthy era when the Administration was being pressured to prosecute communists. The Attorney General said the Government couldn't prosecute them as they did not have the necessary evidence. Congress decided to get around the courts by legislative enactment. They appointed a political committee and presented a lot of illegal and unconstitutional evidence and came up with a finding that the communists are agents of a foreign power and spies and saboteurs.

HALL said that, according to the Attorney General, the present Act is simply a registration statute similar to registrations of foreigners, voters, dealers in securities, etc. However, a recent decision of the Supreme Court held that it is not necessary to be a card carrying member of the CP or do an act which is generally attributed to communists but it is only necessary to have a state of mind and be in sympathy with any of the objectives of communism and you could be prosecuted under the law.

HALL said assuming he did register, he would have to register each official and member of the Party and if he didn't, they would be required to register or be liable to \$10,000 fine and ten years imprisonment for each day they failed to register. He would also be required to register any communist organization or any association or organization that has affiliation with the CP. He must also list every typewriter, mimeograph machine, photostat machine, and printing press by serial number. HALL said that you can begin to see the diabolical threat of fascism which is beginning to become real. He said that in addition to these penalties, he can receive the death penalty in Texas, a life sentence in other states and sentences of 20 to 50 years in other states. He is also prohibited from obtaining Veterans or Government housing, employment in the teaching profession, from making movies in

SF 100-33836
FID/rew

Hollywood, or plays on Broadway under this Act. He said that communists can't even work in Government atomic plants.

HALL said that California has more native right-wing support than any other state and it is the idea of certain right-wingers to unite these organizations under one group. He said that is how Nazism came about and they won't stop with the CP. HALL said that the reason the right-wing is making such an onslaught is because a different social system is overtaking capitalism and many of the older people find it difficult to accept the new philosophy of life and they oppose it.

San Francisco Citizens Committee to Preserve American Freedoms (SFCCPAF)

See Appendix Page.

The Subject attended a fund raising party sponsored by the SFCCPAF for FRANK WILKINSON held at 959 Ashbury Street, San Francisco, on February 17, 1962.

WILKINSON gave a speech in which he denounced the Government and the Supreme Court for the decisions they have handed down outlawing the CP. He predicted that an irate populace would soon force the Supreme Court to change its position on these issues.

He spoke of his jail experiences and condemned the Government for segregating the staffs of the Federal prisons.

SF T-4 - 2/20/62

In an article in the "San Francisco Examiner" newspaper of March 20, 1961, it was noted that WILKINSON was convicted of contempt of Congress for refusing to state before the House Committee on Un-American Activities whether he had ever been a member of the CP. His sentence of one year in jail was upheld by the United States Supreme Court.

CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

A source advised on May 4, 1960, that the Citizens Committee to Preserve American Freedoms (CCPAF) was organized in Los Angeles, California, in January, 1952, for the announced purpose of supporting a number of individuals from the medical and legal professions who had been subpoenaed to appear before the House Committee on Un-American Activities.

Since its establishment, the CCPAF, in extending its scope, has worked for the abolition of all Congressional, State, and local committees investigating subversive activities and in the latter part of 1954 became very active in opposition to State and Federal legislation directed at the Communist movement.

FRANK WILKINSON, Executive Secretary of the CCPAF, is described by the source as the "brains and energy" behind the organization.

Another source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

CITIZENS COMMITTEE FOR CONSTITUTIONAL
LIBERTIES (NORTHERN CALIFORNIA)

A source advised on June 19, 1961, that MICKEY LIMA, Chairman, Northern California District, Communist Party (CP), reported on June 15, 1961, that the CP, USA, in response to the Supreme Court decision of June 5, 1961, relating to the Internal Security Act of 1950 (ISA-50) had decided to create a committee known as Citizens Committee for Constitutional Liberties (CCCL), 22 East 17th Street, New York City, and that a local committee would be organized for Northern California.

This source advised on June 26, 1961, that a meeting was held on June 18, 1961, at the home of ROSCOE PROCTOR, member of the National Committee, CP, USA, for the purpose of formulating the CCCL for Northern California.

A second source advised on September 14, 1961, that the CCCL had opened an office at 942 Market Street, Room 401, San Francisco, California, and that some of the furniture for this office had come from the CP office on the same floor.

A third source advised on September 25, 1961, that MICKEY LIMA (Supra) had indicated no further organizational efforts would be expended on the CCCL in Northern California until the local CP resolves its policy with regard to this committee.

CITIZENS COMMITTEE FOR CONSTITUTIONAL
LIBERTIES

A source advised on June 11, 1961, that a meeting of the National Executive Committee (NEC), Communist Party, USA (CPUSA), was held on June 10, 1961, at CP headquarters, 23 West 26th Street, New York, New York. According to the source, the main topic of discussion at this meeting was the CP's plans in regard to combating the June 5, 1961, decision of the United States Supreme Court, requiring the CP to register with the Attorney General of the United States as a communist-action organization pursuant to the provisions of the Subversive Activities Control Act of 1950 and the Court's decision of the same date upholding the April 21, 1955, conviction of Junius Scales under the Smith Act provision covering membership in the CP. This source further advised that during this discussion a special CP defense committee was formed and it was decided that this committee would have an office, which would be managed by Miriam Friedlander who, according to the source, is a member of the CPUSA National Committee.

Another source advised on June 14, 1961, that at a meeting of the CPUSA National Board and invited guests held on that date at CP headquarters, New York City, it was announced that the CP defense committee would have an office at 22 East 17th Street, New York, New York, under the name of the Citizens Committee for Constitutional Liberties (CCCL).

A third source advised on July 20, 1961, that at a meeting of the CP defense committee held on that date at CP headquarters, New York City, the purpose and scope of the CCCL was discussed. It was stated that this committee has been set up to serve as a national coordinator and service center for every effort being made by whatever source to repeal the McCarran and Smith Acts. In addition, it has been set up to reverse the Supreme Court's decision of June 5, 1961, or secure an indefinite stay of any enforcement of the law by the Department of Justice.

It is to engage in generating a popular defense movement to mobilize legal assistance of any organization or individual whose "democratic rights are infringed upon by these laws." This committee wants to encourage the creation of local organizations or groups to work in support of any one of the above-stated objectives. The committee will also serve as an exchange center of material and provide speakers for any local organization.

II. COMMUNIST PARTY (CP) AND RELATED ACTIVITIES

A. San Francisco County CP (SFCCP)

SF T-2, a self-admitted former member of the CP in the San Francisco area during the period from 1952 to 1957, advised on November 5, 1962, that she knows IRVING FROMER and his wife as members of the CP in San Francisco during that period.

At a meeting of the Sunset Club, SFCCP, which was held at 1235 42nd Avenue, San Francisco, on May 16, 1962, a discussion was held regarding IRVING FROMER and his wife. It was noted that the FROMERS had recently moved to the area covered by the Sunset Club. HERB NUGENT, Chairman of the SFCCP and a member of the Sunset Club, remarked that the FROMERS are in the Lincoln Club, SFCCP, and that they are needed in the Lincoln Club. He said, however, that the FROMERS do not contribute much to Club life and this is one of the problems of the Lincoln Club. He said that the Lincoln Club had agreed to meet at the FROMERS house, and the FROMERS didn't even arrive to attend meetings held at their own home. NUGENT said that both of the FROMERS are active in other mass organizations.

The Subject attended a May Day meeting held at 150 Golden Gate Avenue, San Francisco, on May 1, 1962, sponsored by the San Francisco Free Speech Forum. The Free Speech Forum was set up by the SFCCP to hold public meetings.

WALTER STACK, a member of the SFCCP, was chairman of this meeting and spoke on the meeting of May Day as a labor holiday.

ARCHIE BROWN, a member of the SFCCP, discussed his conviction under the Landrum-Griffith Act. He said it is a test case to see if the act is constitutional. They noted that he was elected to the Executive Board of Local 10, International Longshoremen's and Warehousemen's Union (ILWU), by members of the local and it would make no difference if he resigned from the CP because the Landrum-Griffith Act says a person must not have been a member in the past five years.

RALPH IZARD, a member of the SFCCP, gave a speech on the subject of government and monopolies. He said the government should spend money on the unemployed, the sick, and the ill-housed instead of spending money trying to dominate former colonial countries trying to establish independence.

ELIZABETH GURLEY FLYNN, Chairman, CP of the United States of America (CPUSA), was the featured speaker. She said that things were different today for Communists under indictment than when she was indicted under the Smith Act. She said at that time all doors were shut to them, but now all doors are open. She said that GUS HALL and BEN DAVIS, Communist functionaries, have been speaking to students all over the country. She said that the government ~~knows~~ that she is the Chairman of the CPUSA but so far has not been able to prove that she is a member of the CP. She said that the State Department is trying to take away her passport under the McCarran Act.

She also said that she had visited the Soviet Union as a fraternal delegate to the Congress of the U.S.S.R. and gave the Russians the greetings of the American people. She also visited some of the Social Democracies and found no unemployment there.

SF 100-33836

She said that capitalism cannot solve the problems of the people but the development of Socialism can.

(SF T-3, 5/11/62)

Subject's attendance at this meeting was verified.

(SF T-4, 5/2/62
SF T-5, 5/3/62
SF T-6, 5/6/62)

The Subject attended a public meeting sponsored by the CP held at 150 Golden Gate Avenue on December 5, 1962. MICKEY LIMA, Chairman of the Northern District of California CP, was Master of Ceremonies at this meeting. He said that he need not be introduced as everyone knew what his political views were. He introduced JOHN APT, Legal Council for the CP and Defense Attorney for CP members victimized by the McCarran Committee.

JOHN APT spoke of the complexities of the McCarran Act and how it had been used before in an attempt to convict MICKEY LIMA and others, and he told how the government had reversed the conviction on LIMA and the others because they lacked evidence to prove their charges. Now, the government is trying to get these people to confess to something that they had failed to prove the first time.

APT stated that President TRUMAN vetoed the McCarran Act on the grounds that it would put the government in the roll of a dictator.

He also spoke of the concentration camps scattered throughout the country and noted that anyone could be placed in them if the government felt they were a danger to the national war crisis.

He spoke of the flexibility of the McCarran Act, which he said could be used against any citizen for any given reason and at any given time.

SF 100-33836
FTD/1F

ELIZABETH GURLEY FLYNN also spoke and said she felt slighted because she was not indicted for failure to register along with GUS HALL and BEN DAVIS, however, she had some satisfaction in that the government was trying to take her passport from her.

(SF T-7, 12/5/62)

B. Northern California Committee for the Protection of the Foreign Born (NCCPPB), and Committee for Constitutional Liberties (CCL) (See Appendix Pages)

The Subject attended a conference sponsored by the NCCPPB and CCL held at 739 Page Street, San Francisco, on September 23, 1962. JEAN KRAMER, Chairman of the conference, opened the meeting by stating that its purpose was to discuss the WALTER MCCARRAN Act and the California "Little McCarran Act" (Proposition 24 on the California Ballot)

KRAMER read a written speech which had been prepared by LLOYD MC MURRAY Civil Liberties Attorney, who had planned to attend the meeting but was unable to make it. MC MURRAY's speech dealt with the Chinese Confession Program which was set up to give Chinese who were illegally in the country protection if they came forth and told their real identity. The main gist of the speech was condemning the Immigration Service because of their policy of sending illegal immigrants back to China.

The "San Francisco Call Bulletin" issue of November 18, 1957, carried an article which stated that JEAN KRAMER had been ordered deported as an alien who belonged to the CP. The article stated that she came to the United States in 1933 and was a CP member from 1933 to 1948.

LLOYD MC MURRAY was an active member of the CP in San Francisco from 1946 to 1950.

LAURENT FRANTZ, introduced as an expert in constitutional law and a writer and publisher, spoke on the Walter McCarran Act and said that the security of the nation is hampered by this act.

The "New York Guild Lawyer", volume 20, March and April, 1962, a self-described publication of the National Lawyers Guild, lists LAURENT FRANTZ as a member at large of the National Executive Board, National Lawyers Guild (NLG). (See Appendix Page for NLG).

ROSE CHININ, introduced as the Executive Director of the Committee for the Protection of the Foreign Born from Los Angeles, said that the committee is fighting the Walter McCarran Act and will not register as a communist front group.

Other speakers who spoke in favor of a repeal of the McCarran Act included ROSCOE PROCTOR, HERBERT PHILLIPS, and FRANK WILKINSON.

WILKINSON also urged for the abolishment of the House Committee on Un-American Activities and the defeat of Proposition 24 on the California ballot.

HERBERT PHILLIPS is Chairman of the CCL.

JOSEPH P. MORRAY described himself as a former officer in Naval Intelligence, a lawyer and a former professor in Havana. He said that when the revolution in Cuba was started, the CP was against it and told CASTRO it was ill-advised, ill-timed, however, CASTRO went ahead with the revolution and when the Communist saw he was accepted as the national leader, they joined forces and accepted his leadership.

MORRAY said the first president after the revolution was a conservative who demanded that CASTRO kick out the Communists and close the Communist papers. He also wanted appropriate compensation to be paid for land and factories which were nationalized. MORRAY said that CASTRO agreed only to pay the value which had been declared for these properties in their tax returns.

MORRAY said that CASTRO is a Leninist and disagrees somewhat with Communists. He said that the Cuban people are proud of being socialists and that CASTRO is in Cuba to stay.

He said he was skeptical about Russian missiles being in Cuba and decided that the Russians were trying to build a nuclear wall between Russia and Cuba.

COMMITTEE FOR CONSTITUTIONAL LIBERTIES
(CCL), aka. Citizens Committee for
Constitutional Liberties - San Francisco

A source advised on June 19, 1961, that MICKIE LIMA, Chairman, Northern California District, Communist Party (CP), reported on June 15, 1961, that the CP, USA, in response to the Supreme Court decision of June 5, 1961, relating to the Internal Security Act of 1950 had decided to create a committee known as Citizens Committee for Constitutional Liberties (CCCL), 22 East 17th Street, New York City, and that a local committee would be organized for Northern California.

This source advised on June 26, 1961, that a meeting was held on June 18, 1961, at the home of ROSCOE PROCTOR, member of the National Committee, CP, USA, for the purpose of formulating the CCCL for Northern California.

A second source advised on September 14, 1961, that the CCCL had opened an office at 942 Market Street, Room 401, San Francisco, California, and that some of the furniture for this office had come from the CP office on the same floor.

One of these sources, in March, 1962, advised that CP officials in Northern California are active in supporting and promoting the CCL and in disseminating its literature.

A third source, in April, 1962, advised that correspondence and literature emanating from the CCL is aimed at the non-enforcement and repeal of the Internal Security Act of 1950 (McCarran Act). Some of the literature disseminated is purchased from the CCCL, New York, New York.

The two officers of the CCL in San Francisco are Doctor HERBERT J. PHILLIPS, Chairman, and WALTER STACK, Treasurer.

Doctor PHILLIPS testified in open court in 1953 to CP membership since 1935. WALTER STACK is a current CP member in San Francisco.

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 42 concerning "Citizens Committee for Constitutional Liberties (New York City)":

1. "On the basis of its investigations and hearings to date, the committee concludes that the National Assembly for Democratic Rights and a coordinating and organizing group in support thereof, titled the 'Citizens Committee for Constitutional Liberties,' are Communist fronts. Created, dominated, and controlled by members and officials of the Communist Party, the National Assembly for Democratic Rights and the Citizens Committee for Constitutional Liberties were organized as propaganda devices for the conduct of 'mass activity' in support of the avowed objectives of 'reversal or nonapplication' of the Supreme Court decisions of June 5, 1961, which upheld the constitutionality of the registration and disclosure provisions of the Internal Security Act of 1950 as applied to the Communist Party, and the Smith Act membership clause making punishable active and purposive membership in the Communist Party."

"* * * The long-range objective of the Citizens Committee for Constitutional Liberties is to serve as the vehicle for concealed Communist participation in, and direction of, propaganda and agitational activities aimed to nullify the Internal Security and Smith Acts."

"* * * Committee investigation disclosed that the Citizens Committee for Constitutional Liberties was formed on or about June 12, 1961 * * *."

FAIR PLAY FOR CUBA COMMITTEE (FPCC)

The April 6, 1960, edition of "The New York Times" newspaper contains a full page advertisement captioned "What Is Really Happening in Cuba," placed by the FPCC. This advertisement announced the formation of the FPCC in New York City and declared the FPCC intended to promulgate "the truth about revolutionary Cuba" to neutralize the distorted American press.

"The New York Times" edition of January 11, 1961, reported that at a hearing conducted before the United States Senate Internal Security Subcommittee on January 10, 1961, Dr. CHARLES A. SANTOS-BUCH identified himself and ROBERT TABER as organizers of the FPCC. He also testified he and TABER obtained funds from the Cuban Government which were applied toward the cost of the aforementioned advertisement.

On October 3, 1960, a source advised that the Socialist Workers Party (SWP) in New York had become active in the FPCC, and that SWP members, in a FPCC election, had been able to remove several Communist Party (CP) members who were on the Executive Board of the FPCC and gain control of the organization.

A second source advised that an announcement from National Headquarters of the SWP was made on September 24, 1961 to the effect RICHARD GIBSON had fired the secretary in the FPCC headquarters and was trying to break the SWP influence in the FPCC.

Column 2, page 8, of the February 22, 1962, edition of "The New York Times" contains an article captioned "Castro Backer Resigns" which announced that ROBERT TABER had resigned as Executive Secretary of the FPCC and as President of the Institute for the Improvement of Inter-American Relations, Inc., which had organized the FPCC in April, 1960.

On May 17, 1962, a third source advised that National Headquarters of the FPCC is located in room 329 at 799 Broadway, New York City, and that the FPCC is operating under the direction of RICHARD GIBSON, Acting National Executive Secretary of the FPCC.

INDEPENDENT PROGRESSIVE PARTY

The 1955 Report of the California Committee on Un-American Activities, page 46, stated, "The Independent Progressive Party in California was quickly captured by the communists, and by the time the Wallace for President campaign had swung into high gear was being operated lock, stock, and barrel by the Communist Party of California. Time after time the committee in questioning witnesses throughout the State discovered that the leaders of the Communist Parties in various localities were identical with the leaders of the Independent Progressive Party in the same area. It is true, of course, that in the Independent Progressive Party there were many sincere liberals who, because of dissatisfaction with the two major political organizations registered as Independent Progressives and continued their affiliation until the true control of the I. P. P. became obvious. These people invariably resigned, many of them having given the benefit of their experience to various official agencies interested in the exposure of subversive activities."

STUDIES ON THE LEFT (SOTL)

The "Wisconsin State Journal," a daily newspaper published at Madison, Wisconsin, on November 26, 1959 announced that a new scholarly magazine, "Studies on the Left," a historical review dedicated to the leftist point of view, edited by present and former graduate students at the University of Wisconsin (UW), but having no connection with the UW itself, would begin publication soon.

Records of the Wisconsin Secretary of State reflect SOTL was incorporated under laws of Wisconsin July 16, 1959 as a non-stock, non-profit corporation with headquarters P.O. Box 2121, Madison, Wisconsin. Three issues were published during the period December, 1959 to November, 1960. Publicly listed members of SOTL's Editorial Board SAUL LANDAU, JOAN BROMBERG, STEPHEN SCHEINBERG, MARTIN J. SKLAR and JAMES WEINSTEIN have been identified by sources previously as having participated in the activities of the Labor Youth League (LYL); while Editorial Board members DAVID EAKINS and MATTHEW CHAPPERON have been identified as active members of the Communist Party (CP). CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 43 concerning "Citizens Committee to Preserve American Freedoms":

1. "The (Communist) party's front operations in the Southern California District today are * * * confined to four major organizations," which include the Citizens Committee to Preserve American Freedoms.

"The Citizens Committee to Preserve American Freedoms * * * specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by Frank Wilkinson, an identified Communist who recently resumed the full-time, paid post of executive secretary after approximately a year's leave of absence to assist in a similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles September 2-5, 1958, to inquire into the nature of the party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the party in this effort was revealed by (Communist Party) District Chairman Dorothy Healey in a report to the party's Southern California District Council on September 21, 1958. Mrs. Healey declared that the party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at openly Communist rallies without creating the impression that the party was conspiring with witnesses to withhold information from the committee."

II. COMMUNIST PARTY (CP) AND RELATED ACTIVITIES

A. Communist Party

The subject attended a May Day meeting sponsored by the San Francisco Free Speech Forum held at 150 Golden Gate Avenue, San Francisco, on May 4, 1963. MARGRUT FITTMAN acted as chairman of the meeting and noted that she had celebrated May Day last year in Moscow. She said she regarded this a privilege and honor and said that May Day in Moscow was celebrated in a spirit of good will and fraternity and should be celebrated in a like manner in this country. She said that some day everyone would live under socialism and there would be no more war and everyone would be friends and brothers.

ARCHIE BROWN, introduced as a well known labor leader and progressive, gave a speech critical of the city administration in San Francisco, and claimed that the slum clearance program drove under-privileged people from one slum area into marginal area which then became slums.

CARL BLOICE and several others then put on an entertainment skit prior to the introduction of NYTHAN LUMER as a featured speaker. LUMER was introduced as an historian and economist and a Taft-Hartley victim.

SF 100-33836
PTD/msl

LUMER discussed the unemployment situation in the United States, and said unemployment was increasing because of automation and he said the unions are worried and noted that recent strikes were for job security rather than increased benefits. He said that if the United States had a planned economy and traded with Soviet nations, most of the ills of unemployment could be cured. He also spoke briefly on repressive government acts and union busting legislation. He said the government is applying antitrust provisions to unions and there is a vicious prosecution of labor leaders. He said these acts are the products of the cold war and reaction.

A resolution to the President and the Attorney General was passed at this meeting which requested the government take action against the Birmingham Police Department for police brutality. At the suggestion of IRVING FROMER, they had a condemnation of the government for past inactivity to the resolution.

The Subject attended affair sponsored by the ARI held at the Sheraton Palace Hotel on November 24, 1963. This affair celebrated the 30th anniversary of the establishment of U. He introduced the counselors of the USSR Embassy in Washington, D.C., who conveyed the condolences of the Soviet Ambassador and members of the Embassy to the audience on the death of President KENNEDY.

The main speaker of the evening, JOHN HOWARD LAWSON, said that he had spent the past two years in the Soviet Union, where he wrote a book and participated in the making of movies. He made a comparison between the moral decadence of United States youth and the healthy spirit of Soviet youth. "PROGRESSIVE LABOR"

A source advised on July 2, 1962, that Progressive Labor groups held a conference in New York City on July 1, 1962, where MILTON ROSEN acted as chairman. He read a statement at this conference setting forth their intention to form a new Marxist-Leninist Party in the United States. ROSEN stated that a more formal organization was necessary, one which would provide a framework for all who wanted to join in a united effort to build an American vanguard. The functions of this new organization are to consolidate all existing forces around Progressive Labor and organize additional forces; expand and improve political activities; win additional forces to an outlook of Marxism-Leninism and increase the open advocacy of socialism; develop a significant Marxist-Leninist program for the new party; and organize a collective organization of leaders and members.

"The Worker," an east coast communist newspaper, issue of January 7, 1962, page 10, column 3, reported the expulsion of MILTON ROSEN, former labor secretary of the New York State Communist Party, from the Communist Party, USA.

A second and third source advised in February, 1963, that this new Marxist-Leninist Party had not yet been organized on a formal basis but that Progressive Labor groups had been formed in several localities in line with proposals of MILTON ROSEN. The sources advised as of February, 1963, that the leaders of this group were referring to it as the Progressive Labor Movement.

The "Amsterdam News," a daily New York City newspaper, dated July 27, 1963, page 22, set forth that the "Progressive Labor Party is a new political formation based on Progressive Labor Movement, a Socialist organization with groups in all parts of the United States. CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 43 concerning "Citizens Committee to Preserve American Freedoms":

1. "The (Communist) party's front operations in the Southern California District today are * * * confined to four major organizations," which include the Citizens Committee to Preserve American Freedoms.

"The Citizens Committee to Preserve American Freedoms * * * specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by Frank Wilkinson, an identified Communist who recently resumed the full-time, paid post of executive secretary after approximately a year's leave of absence to assist in a similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles September 2-5, 1958, to inquire into the nature of the party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the party in this effort was revealed by (Communist Party) District Chairman Dorothy Healey in a report to the party's Southern California District Council on September 21, 1958. Mrs. HEALEY declared that the party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at openly Communist rallies without creating the impression that the party was conspiring with witnesses to withhold information from the committee."

California District of the Communist
Party, April 3, 1959, pp. 7 and 8.)

II. COMMUNIST PARTY (CP) AND RELATED ACTIVITIES

A. Communist Activities

The Subject attended a May Day meeting held at 150 Golden Gate Avenue, San Francisco, which was sponsored by the San Francisco Free Speech Forum on May 2, 1964.

The San Francisco Free Speech Forum is a name used by the CP of San Francisco to hold public meetings.

STEVE MURDOCK, editor of the "PW" reviewed the activities of the "PW" for the past year and pointed out that the "PW" offered its readers news from the viewpoint of the working class and Negro people and really had something to offer and this had enabled it to survive.

ROSCOE PROCTOR also spoke on the problems of the Negro people in the capitalistic society and noted that only socialism offered the Negro any chance of solving his problems. PROCTOR said that the President's "War Against Poverty" was simply a political scheme to attract votes.

The featured speaker was ROBERT THOMPSON, a member of the CP Committee, who discussed the split between the Soviet Union and China and said that it would soon be healed over. THOMPSON told the audience that they should support the Democratic Administration while at the same time put pressure on the Democratic Party to end defacto segregation in schools throughout the country. THOMPSON noted that public school systems would have to be integrated in order to survive.

SP T-5, 7/2/64

On September 25, 1964, the Subject attended a public meeting sponsored by the San Francisco FSF held at 150 Golden Gate Avenue, San Francisco. The purpose of this meeting was to hear HENRY WINSTON, a member of the CP National Committee, speak.

WINSTON identified himself as a communist and told of his imprisonment by the Federal Government. He said that because the government would not treat him for his illness, he became blind. He said the reason for the government's refusal to treat him was because he was a Negro and a communist.

WINSTON pointed out that the Republican Party must be defeated even though he did not completely approve of President JOHNSON and the Democratic Party. WINSTON also discussed the civil rights movement and said that the Negro must get his rights before everything in this country would be all right.

C. "National Guardian" (NG)

A characterization of the NG is contained in the appendix pages.

On February 8, 1964, the Subject attended a public meeting sponsored by the NG held at 625 Polk Street, San Francisco. The featured speaker at this meeting was MARK LANE, an attorney for the mother of LEE HARVEY OSWALD.

LANE discussed the background of the assassination of President KENNEDY and stressed the fact that Dallas was a very reactionary city and for that reason it is easy to understand why Dallas had been selected as the place for the President to be assassinated. LANE discussed briefly the background of LEE HARVEY OSWALD and noted that he was a drifter without any ties who had spent some time in the Soviet Union. LANE tried to establish a link between OSWALD and the FBI and indicated that OSWALD was the victim of a frameup. He said he had a reputation of being an unstable character and a past association with left-wing groups. LANE said that in spite of this he did not believe that OSWALD was the actual assassin of the President.

D. W.E.B. DuBois Club of San Francisco

A characterization of the W.E.B. DuBois Club of San Francisco is contained in the appendix.

On August 20, 1964, Subject attended a meeting sponsored by the W.E.B. DuBois Club held at 1007 McAllister Street, San Francisco. The meeting was a panel discussion on the question of world peace. One of the speakers took the viewpoint of the Chinese Marxist and said he believed in revolution because this was the only way of eliminating capitalist enterprises and capitalist economy. He cited

such areas as Cuba, Vietnam, the Soviet Union and China. He said that all of these countries are socialist camps of one form or another and all are working for peace.

AL RICHMOND, the editor of the "PW", took the position that peaceful co-existence was a possible way to make some progress for peace without changing the economy of the country.

One of the other panel members spoke in support of peace but not in favor of any kind of violence. He pointed out that the left wingers comprising the CP, the Trotskyite Party, and the Progressive Labor Party looked toward revolution as an alternative for peace; however, he did not think that peace would ever be won by revolution.

SP T-1, 8/31/64, SF T-3, 8/27/64
SP T-6, 8/25/64

On October 16, 1964, the Subject attended a panel discussion sponsored by the DuBois Club held at 625 Polk Street, San Francisco. The three panel members were DOROTHY HEALEY, Chairman of the Southern California CP, VINCENT HALLINAN, a San Francisco attorney, and JOHN BURTON, a California State Assemblyman.

The Subject of the discussion was on the forthcoming election and what part progressive forces should play in the election.

VINCENT HALLINAN took a strong pro-Democratic Party attitude and pointed out that he, himself, had campaigned on a national ticket for a minority party and the result had been disastrous. He said they had wasted their time and money and energy and polled so few votes that he did not receive even one electoral vote. He stressed the fact that the Republican forces represented a step toward fascism and that at all costs, all decent people and all good left-wing people must vote the Democratic slate.

SF 100-33836
FTD/evs

DOROTHY HEALEY generally agreed with HALLINAN but pointed out the Communist Party's specific obligation to the working class to provide good leadership. She said the CP had only one chance of acting as a vanguard of the working class and that was to be right in its support of political candidates. HEALEY also said the people should support the Supreme Court and particularly the Court's recent decision to reapportion state legislature.

JOHN BURTON said this was the first election in which he felt free to accept support from the left openly and he attributed this to a determination on the part of the general public to defeat BARRY GOLDWATER. He praised the DuBois Club for supporting him and he thanked the persons on the left including the Socialist Workers Party, the CP and others for their support.

SF T-1, 10/20/64

VINCENT HALLINAN was candidate for President of the United States on the Independent Progressive Party (IPP) ticket in 1952. The IPP was formed in California in 1948 and ceased to exist in 1954 when it failed to get sufficient votes to remain on the California Ballot.

A characterization of the IPP appears in the Appendix.

The ARI has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

On November 20, 1964, the Subject attended a public meeting sponsored by the ARI held at the Jack Tar Hotel, San Francisco.

SP 100-33836
FTD/evs

HOLLAND ROBERTS, President of the ARI, spoke about the great work being done by the USSR and the Soviet bloc for peace. ROBERTS said he always is inspired when he visits these countries and hears of their achievements to bring about peace and he is always disappointed on returning to the United States to find the war mongers holding the upper hand and keeping the people obsessed with the idea that they have to stay prepared for war against the communists. ROBERTS said the United States was constantly on the side of the landlords and money lenders of small countries throughout the world such as South Vietnam. He said these people only aspire justice for themselves and an opportunity to live in peace and comfort. However, they are ground down ruthlessly by native oppressors with the help of American troops and American support.

CARL BLOICE, a reporter for the "PW", also told of a recent trip he made to Eastern Europe. He said he found the East Germans consecrated to the task of being a socialist nation and cooperating fully with the Soviet Union. BLOICE said that East Germans now claim that America has succeeded to the position once held by fascist Germany of being the most reactionary and most militant country on earth. BLOICE said that communist nations now were in a position to defeat any non-communist countries in the event of military attack but he said this was the poorest way he could think of to bring about communism and he would prefer to see non-communist nations become communist through the means of logic.

F. Ad Hoc Committee To End U. S. Intervention
In Vietnam

A characterization of the Ad Hoc Committee To End U. S. Intervention In Vietnam is contained in the Appendix hereto.

SF 100-33836
FTD/evs

On May 9, 1964, the Subject attended a meeting sponsored by the Ad Hoc Committee to End U. S. Intervention In Vietnam held at the Hall of Flowers in Golden Gate Park, San Francisco. The chairman of the meeting who stated he was from Vietnam claimed that the war in Vietnam started with the French Government supporting an attack by South Vietnam against North Vietnam. He said the American military has taken over from the French in supplying arms and ammunition to the South Vietnamese. He urged the United States to pull out of South Vietnam and let the country be unified.

The film was shown entitled, "The War In Vietnam" made by the National Liberation Front of the South Vietnamese. Among other things, the film showed American helicopters being shot down and picket demonstrations in North Vietnam protesting American intervention.

SF T-3, 5/12/64

III. MISCELLANEOUS

On March 1, 1964, the Subject was one of 123 persons arrested picketing the Sheraton-Palace Hotel in San Francisco for alleged discriminatory practices. The 123 pickets who were arrested were charged with contempt of court. These charges were dismissed on April 3, 1964, by Municipal Judge JOSEPH G. KENNEDY because the restraining order which they were accused of violating was faulty.

"San Francisco Chronicle" newspaper, 3/3 and 4/4/64, and San Francisco Police Department Record of Arrest Number 1901586.

On the evening of October 28, 1964, the Citizens Council of America held a meeting at the Masonic Auditorium in San Francisco which was picketed by numerous individuals on the sidewalk and entrance way to the auditorium. Among those observed in the picket line was the Subject.

Observation by Special Agents of the FBI.

W.E.B. DU BOIS CLUB OF SAN FRANCISCO,
aka DuBois Youth Group, San Francisco
DuBois Club, San Francisco DuBois
Youth Group, Student-Labor Alliance

A source advised that on January 31, 1963, the W.E.B. DuBois Club of San Francisco held its first general meeting at California Hall, Polk and Turk Streets, San Francisco, California, at which time the aims of the club were put forth as follows by TERENCE "KAYO" HALLINAN:

- (1) Alleviate the Negro problem in the United States.
- (2) Promote peaceful co-existence between the United States and Russia.
- (3) Promote and encourage Marxist doctrines and to bring about a socialistic government in the United States.

A second source advised in March 1963 that the DuBois Club was both conceived and originated by TERENCE HALLINAN.

A third source has advised that TERENCE HALLINAN attended a Communist Party Youth Commission meeting in San Francisco in October 1963.

Commencing in March 1963, the DuBois Club published a newsletter entitled "San Francisco News and World Report." In its first issue a "Proposed Statement of Principles" was set forth in which the club's aforementioned aims were elaborated upon. In the same issue the lead editorial in part described the San Francisco DuBois Club as "...a group of young people who are convinced that Socialism is the only answer to the many problems of our time and so find philosophical rapport with the life and thought of Dr. DU BOIS, nevertheless, we are weighed with humility in comparing our goals and ambitions with the genius of his life and work. As a source of inspiration, the figure of W.E.B. DU BOIS is unequaled in American history, but as a standard and example, we seem miserably lost in his shadow. We can only resolve that we do his name no dishonor, and whatever we may accomplish should be recognized as a supplement to his life work."

The November 25, 1961, issue of the "People's World," a West Coast communist newspaper published in San Francisco, contains an article on page 12 reflecting

APPENDIX 346

that W.E.B. DU BOIS joined the Communist Party after applying for admission on October 1, 1961.

In May 1963, the first source informed that the "San Francisco News and World Report," although written and edited by members of the club, was run off on a mimeograph machine located in the offices of the "People's World;" however, in March 1964, this source advised that the newsletter was no longer mimeographed by the "People's World" because of the unreliability of the machine and, in addition, the name was changed to "The Insurgent" upon recommendation of one of the club officers who felt the new name sounded more militant.

The first source has also stated that commencing in May 1963, the DuBois Club had no permanent headquarters and used to hold its meetings at 307 Page Street, Apartment 3, San Francisco, California. In March 1964, this source advised that the club is currently active as a membership organization and has its headquarters at 1007 McAllister Street, San Francisco.

INDEPENDENT PROGRESSIVE PARTY

The 1955 Report of the California Committee on Un-American Activities, Page 46, stated, "The Independent Progressive Party in California was quickly captured by the communists, and by the time the Wallace for President campaign had swung into high gear was being operated lock, stock, and barrel by the Communist Party of California. Time after time the committee in questioning witnesses throughout the State discovered that the leaders of the Communist Parties in various localities were identical with the leaders of the Independent Progressive Party in the same area. It is true, of course, that in the Independent Progressive Party there were many sincere liberals who, because of dissatisfaction with the two major political organizations registered as Independent Progressives and continued their affiliation until the true control of the I.P.P. became obvious. These people invariably resigned, many of them having given the benefit of their experience to various official agencies interested in the exposure of subversive activities."

COMMITTEE TO END U. S. FOREIGN INTERVENTION, aka
Committee to End U. S. Foreign Aggression,
Committee to End American Intervention in
Viet-Nam (Ad Hoc),
Committee to End United States Intervention
in Viet-Nam (Ad Hoc),
Committee to End United States Imperialism

This Committee was organized as the Committee to End American Intervention in Viet-Nam (Ad Hoc), March 29, 1964, in San Francisco, California, at the instigation of and by members of the W.E.B. DuBois Club of San Francisco, a Marxist youth group, which has promoted the organization's activities among the various groups in the San Francisco area interested in peace and disarmament. Its announced aims have included American withdrawal from Viet-Nam, self-determination for the South Viet-Namese people and adherence of the United States to the 1954 Geneva Convention. Demonstrations along with the distribution of and exhibition of propaganda comprise its program. A flyer advertising a forum of September 15, 1964, in San Francisco on "World Wide Movements--for Freedom" referred to "Cuba - Harlem - Congo - Viet Nam" and listed the Committee to End U. S. Foreign Intervention as sponsor. One of the two sources which provided the information on the Committee's organization has advised that it is the same committee. According to this source, on October 9, 1964, this Committee's proper name is "Committee to End U. S. Foreign Aggression," but it is a loose-knit organization and exactness of title or name is of little concern to the officials and members. The other source advised on June 28, 1964, that an Executive Committee of five members was elected in June, 1964, but no new officers were otherwise elected.

Another source advised on September 17, 1964, that the original officers were JOHN W. THOMAS, Chairman; BEVERLY D. RADCLIFFE, Treasurer, and MARGARET DRIGGS, Secretary. The signature of two of these are still required for checks written.

One source mentioned above currently advises that no headquarters is maintained by the Committee; meetings are infrequent and poorly attended, ranging from eight to twenty members. The last reported membership total was approximately twenty in June, 1964.

APPENDIX

349

2.

JOHN THOMAS attended meetings of the DuBois Club of San Francisco on May 10 and 31, 1964.

When interviewed by Special Agents of the FBI on October 1, 1964, THOMAS indicated he was not a member of the W.E.B. DuBois Club and would not join any group until he found one that really helped the Negro people.

BEVERLY RADCLIFFE in April, 1964, was a member of the DuBois Club of San Francisco.

MARGARET DRIGGS, when interviewed by Special Agents of the FBI on January 25, 1955, said that her activities in the Communist Party (CP) began in the middle 1930s during the depression in Tacoma, Washington. She and her husband moved to Seattle, Washington, and were members there of the CP and the Communist Political Association (CPA). As a result of open criticism of Party functionaries on her part and on the part of her husband, she and her husband were expelled from the CP in 1946 with the proviso that after six months they would reinstate. She said that they did not seek reinstatement.

The CPA has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

II. COMMUNIST PARTY (CP) AND RELATED ACTIVITIES

A. Communist Party

When contacted in March, 1966, confidential informants who are conversant with various phases of activities of the CP in the area of San Francisco in which Subject resides were unable to furnish any information reflecting that Subject has been active in the CP during the past year.

Subject, however, was in attendance at the annual May Day meeting sponsored by the San Francisco Free Speech Forum held at 156 Golden Gate Avenue, San Francisco, on May 1, 1965.

The San Francisco Free Speech Forum is a name used by the San Francisco County CP to sponsor public meetings.

The principal speaker at this meeting was GUS HALL, General Secretary of the CP, USA. HALL accused the administration of President JOHNSON of being dangerous and trigger happy, stating that our foreign policy is a cold-blooded war machine which would turn back history. HALL stated that Marines had been sent to the Dominican Republic on the pretext of protecting American lives. He alluded to the U. S. foreign policy as being imperialistic and said that the President is not receiving full support for his invasion of other countries and the U. S. will never be successful in these undertakings.

WOMEN FOR PEACE, aka
Women Strike for Peace

The "Berkeley Daily Gazette," a daily newspaper of general circulation published in Berkeley, California, contained an article in the November 19, 1965, evening edition reflecting that in November, 1961, when concern mounted over radioactive fallout from nuclear testing, a group of women in Washington, D. C. started Women Strike for Peace. The idea spread rapidly throughout the country and now embraces 900 groups, including Women For Peace groups in the San Francisco Bay area.

These groups support programs to achieve goals such as:

- (1) Continued disarmament negotiations.
- (2) A strong and flexible United Nations.
- (3) Planning now at state and national levels for conversion to peace-time economy and positive efforts to ease world tensions.

The women act as individuals and as a group, with specific actions suggested by individuals and groups from all over the world. Decision to participate jointly on any given suggestion is democratically arrived at by members of the Coordinating Committee. Effective cooperation with other peace groups is encouraged. Monthly Coordinating Committee meetings and general meetings, as warranted, are open to all and announced in mailings to members. There are no dues or membership forms nor conditions for membership.

To stir an awareness of the need for peace, Women For Peace encourage public education in peace objectives at local schools and sponsor peace-oriented demonstrations and public meetings, newspaper ads, billboards, and candidates for public office. On the national level the group attempts to influence government officials by letters and conferences.

VIETNAM DAY COMMITTEE (VDC)

A booklet published by the VDC contained the following policy statement of the VDC adopted by the general membership, June, 1965:

The Vietnam Day Committee is a group of students, faculty and other members of the Bay area community opposed to American intervention in Vietnam, the Dominican Republic and wherever else it may occur. Revolutionary struggles for self-determination are sweeping the world today. American suppression of these movements, we believe, is immoral and a threat to the peace of the world. The Vietnam Day Committee is organizing non-violent direct actions, teach-ins, door-to-door organizing and other educational activities to oppose American intervention. We believe that the struggle for self-determination in other countries is related to the struggle for democracy in America--a democracy in which the people have the facts and the power to make decisions for themselves. The struggles in America against racism, poverty, and bureaucratic conformity are part of the same movement as the struggle against American militarism. We must build a New America and join with those people in Asia, Africa and Latin America building a New World.

Subject acted as chairman of the Haight-Ashbury Vietnam Committee meeting which was held at 22 Parnassus Street, San Francisco, on December 1, 1965. Subject did most of the talking at this meeting and explained how the war in Vietnam started. He claimed that the U. S. had offered the French the atomic bomb to use against the Vietnamese during the French-Vietnamese War. FROMER stressed that if the war had not ended in six months it would lead to World War III and involvement of China and the U. S. He said that it is up to individuals to bring pressure on the government to stop the war in Vietnam.

SF T-1, 12/2/65

The Haight-Ashbury Vietnam Committee has headquarters at Number 8, Rivoli Street, San Francisco, and is self described as a neighborhood organization with the purpose of opposing U. S. involvement in Vietnam.

CITIZENS COMMITTEE TO PRESERVE AMERICAN FREEDOMS

The Guide to Subversive Organizations and Publications, revised and published December 1, 1961, prepared and released by the Committee on Un-American Activities, United States House of Representatives, contains the following on Page 43 concerning "Citizens Committee to Preserve American Freedoms":

1. "The (Communist) party's front operations in the Southern California District today are *** confined to four major organizations, "which include the Citizens Committee to Preserve American Freedoms.

"The Citizens Committee to Preserve American Freedoms * * * specializes in propaganda aimed at abolishing the Committee on Un-American Activities and discrediting the Federal Bureau of Investigation. Created in Los Angeles in 1952, the front organization is run by Frank Wilkinson, an identified Communist who recently resumed the full-time paid post of executive secretary after approximately a year's leave of absence to assist in similar campaign by another front in New York City, the Emergency Civil Liberties Committee.

"When the Committee on Un-American Activities held hearings in Los Angeles September 2-5, 1958, to inquire into the nature of the party's recent reorganization in California, the Citizens Committee to Preserve American Freedoms sponsored a series of public meetings to protest the hearings and the very existence of the committee. Communists subpoenaed as witnesses were guests of honor.

"At this time, leaders of the party's Southern California District were mobilizing Communists in the area for participation in an intensified campaign to abolish this committee of Congress. How the Citizens Committee to Preserve American Freedoms served the Party in this effort was revealed by (Communist Party) District Chairman Dorothy Healey in a report to the Party's Southern California District Council on September 21, 1958. Mrs. HEALEY declared that the party preferred public protest meetings to be held by the Citizens Committee to Preserve American Freedoms rather than under party auspices because Communists could attend without danger of being exposed as members of the party. She also noted that Communists scheduled as congressional committee witnesses could not appear beforehand at openly Communist rallies without creating the impression that the party was conspiring with witnesses to withhold information from the committee."
