"My dear IRVING:

His Excellency has received your cable.

You have left His Excellency's office with the impression
(B val that he) was willing to offer the new Ambassador the
most loyal and frank collaboration.

However, a certain stiffening has characterized the first
contact between TIMMONS and Foreign Minister CHALMERS and
Deputy Foreign Minister RAYMOND at the Foreign Ministry
Building.

The Foreign Ministry's general opinion is that he is the
least qualified at the present time and that his presence could
be fatal for the resumption of relations.

Please see if he can be recalled before he presents his
credentials.

(B val Anticipating) the Ambassador's arrival, NORMAN WARREN, JOHN ~~HACEY~~ and (B val company) have redoubled their ardor against the President.

I believe that it is preferable to make these transfers without the opinion of any unfriendly person. This action is always considered unfriendly.

President DUVALIER has asked for these recalls to permit Ambassador TIMMONS to be the [1 gr G] of a Haitian-United States rapprochement. Therefore, as we say, the departure of JOHN HACEY (B val and company) is imperative.

We are expecting your immediate reply.

You have seen, My dear IRVING, that the recall of WARREN, WARNER, HASSEY, MOSS and TIMMONS must be obtained.

Please make contact with Mr. IRVING DAVIDSON (B),
Washington representative, address Suite 306, City Building,
1612 K Street N.W., Washington 6, D.C., District 7-3400,
and give him in the name of the Haitian Government the
following highly confidential message:

"The Haitian Government has had to request of Charge
d'Affaires CURTIS the recall of three United States Embassy
officials, JOHN W. WARREN, Military Attache, STANLEY D. MOSS,
Cultural Attache, and JOHN HASEC (C), Political Counsellor.
The State Department replied that the new Ambassador has been
instructed to discuss this question after he presents his
credentials, but that these officials will not be recalled
unless they are declared personae non grata, and that the State
Department will make reprisals.

Please explain to you know who the necessity of making
a cleaning-out of the Embassy so that Haitian-United States
relations may be resumed on a friendly and cordial basis.

The three officials have figured in the arousing of a
frankly hostile feeling toward the Haitian Government.
Military Attache WARREN has talked with high-ranking officers
of the Haitian Army in an effort to corrupt them and hatch
a plot against this Government. JOHN HASEC, a former member
of the Foreign Legion who came here directly from Viet Nam,
has no visible role in the Embassy. He is drunk morning,

noon and night. We suspect that he has some special assignment. He has talked about it in the course of conversations at the Hotel El Rancho. Cultural Attache MOSS is a declared enemy of the Haitian Government. The latest number of the magazine "Actualites", edited by the U.S. Embassy Cultural Service in memory of KENNEDY is an illustration of his spirit of hostility. At his clear choice only intellectuals who are enemies of this Government collaborated on this number. It contained cables of condolence from many chiefs of state, but not that of President DUVALIER. There was no mention of the manifestations of numerous organizations in memory of KENNEDY, as, for example, the three days of mourning, the funeral service, etc.

We are requesting the departure also of NORMAN WARNER because of the categorical position of opposition to this Government which he took during the events of April and May.

Ambassador TIMMONS has produced a bad impression. He seems to be the man least fitted to work for a Haitian-United States rapprochement on a durable basis. We believe it would be advisable that he be recalled even before he presents his credentials and that a political personage of blended spirit who is capable of understanding be designated.

Report immediately on the result of your démarches."

THEARD is requested to explain to Mr. IRVING the United States position on recall and reprisals and to keep the Haitian Government informed constantly.

We met [DEVOSKIN]^c today. He is interested in renewing negotiations on Nordau Plaza.^d In his opinion the construction costs, including working capital, will amount to \$1,350,000, and therefore the total expenses will amount to \$2,350,000 to \$2,400,000. [DEVOSKIN] and his group are ready to invest \$1,100,000. If [CHACHAMOV]^a stays in, and his investment is estimated at \$500,000; then we still lack \$750,000 to \$800,000.

Please find out from [ZVI]^a

a. whether the government is prepared to increase the loan to 1,200,000 pounds, which is about \$675,000, on the assumption that [DEVOSKIN] will increase to \$1,200,000.

b. whether [CHACHAMOV] in the event that [DEVOSKIN] will invest \$1,200,000 and will pay all the creditors, will agree to accept 30 per cent of the shares instead of 45 per cent as was stated between him and [DEVOSKIN] once. Another difficulty with [DEVOSKIN] is that he does not want to deal with creditors but wants to take on everything unencumbered, except for the [CHACHAMOV] matter. We hope that if the increase of the government loan goes through it will influence him to increase his investment to 1,200,000 and to get along with the creditors. [CHACHAMOV] should by no means be encouraged to come here until the matter is completed. We are meeting with [DEVOSKIN] on Thursday morning, 6 November.
